Factsheet 5–Defined contribution funds

The SEI Master Trust offers you a range of funds in which you can invest your contributions. It is up to you to decide where you want to invest them. If you do not choose a fund, the contributions paid into your individual DC account will be invested in the Default Lifestyle Strategy.

LIFESTYLE STRATEGIES

The pension scheme offers you two lifestyle strategies, the Default Lifestyle Strategy and the Alternative Lifestyle Strategy. A lifestyle strategy is an arrangement in which your individual pension account is initially invested in growth assets which offer a potential for higher return but also have a higher risk. The arrangement then systematically switches your investments from these potentially higher-risk, higher-return funds into lower-risk, lower-return funds as you grow older without the need for you to intervene.

The Default Lifestyle Strategy is where your monies will be invested when you are initially enrolled into the SEI Master Trust. You can then choose to leave the investments in this fund or switch to any of the other options.

The Alternative Lifestyle Strategy is a less aggressive version of the Default Lifestyle Strategy and it will operate in the same manner but using lower risk investment options. Both lifestyle strategies are, however, suitable for long term investment and are regularly reviewed by the Trustee of the SEI Master Trust.

The charge for both lifestyle strategies is 0.50% per annum. For additional details on the two Lifestyle strategies please review the fund factsheets at the following link:

Please note that you can only invest in one Lifestyle strategy at any time and not hold it in combination with one of the other funds.

You should read these before making your investment choices.

HOW DO I CHANGE INVESTMENTS?

You can change your investment options at any time by going online or by completing a switch form which can be obtained from the scheme administrator (seic@capita.co.uk). There are no explicit charges for making investment switches but you should note that they can take up to 2 weeks to process.

IMPORTANT INFORMATION

The following information has been provided by SEI, who operates the Master Trust and invest the DC contributions made on your behalf.
