

Divorce

Under UK law, the courts are required to take pension benefits into account when assessing and distributing marital assets on divorce. As a result, your CPS benefits will be taken into account if you get divorced.

If you are currently in the process of getting divorced, please contact the Pensions Office directly to request a Transfer Statement for the purposes of Divorce. This will be given priority by the Casework administrators, who will endeavour to get this to you as soon as possible.

Write to us

All written requests for a Pension Valuation for Divorce purposes should be sent to:

Pensions Administration
4 Mill Lane
Cambridge
CB2 1RZ
